Dresser to head run club; Antioch roadrace successful

A runner's club is being established in Antioch through the parks and recreation department, and the effort of Antioch High School track coach, Jeff Dresser.

The club will promote running throughout the community, information on equipment, information on the prevention of injuries, good running techniques and also fitness and better health.

The club will also represent Antioch Parks and Recreation in road runs throughout the state, throughout the summer. The club is open to all ages, and the first meeting will be held from 7-9 p.m., Tuesday, June 17, at the old fire station in Antioch.

AVID RUNNERS that participated in the Antioch roadrace on June 1, should be ready for some sort of organized running club, according to statistics compiled from the men's and women's five and 10 thousand meter races. "The race was well-attended, considering the weather," park and rec director Glenda Tomaschik commented. She also stated that the help she received during the organization and running of the race was appreciated. "Dee (Lang, park and rec coordinator) had everything under control, and also, the runners who participated really made the race," Tomaschik said.

Tomaschik also named other organizations and individuals that helped make the run a success. She thanked Police Chief Chuck Miller and the Antioch Police Dept., Rescue Squad Chief, Dave Heath and the Antioch Rescue Squad, Fire Chief Tod Mapleshorpe and the Antioch Fire Dept.,

Supt. of Public Works, Walt Shepard and his crew, and the Antioch Jaycees.

ALSO DESERVING thanks were Nancy Jablonski, Joyce Kufalk, Dorothy Larson, Vicki Culat and Gloria Grealis, all serving at water stations; Joan Larson and Shirley Gutowski, working in registration; Mr. and Mrs. Dick Harland, Mr. and Mrs. Harlan Ware and Norm Hahn, finish line judges. Tomaschik added that park employees worked from 6 a.m. until the finish of the race.

Runners in the June 1 roadrace were divided into men's and women's sections and five different age groups. In the men's 5,000 meter run Gary Miller, who was overall winner, placed first with a 17.06 time, while Jeff Mitchell, 18.02 and Mike Mattson, 18.08 placed second and third in the 14-18 year old category.

In the 19-25 year old group, Pat Hernandez, John Hendzel and Mike Volling placed with 17.39, 19.03, 19.49 times respectively. Jeff Dresser, Jim Rockow and Tom Halstead placed first through third in the 26-30 age category with 19.16, 23.04 and 27.11 times.

IN THE 31-35 group, Ken Kauboski, Ron Erdmann and Peter Tomaschik placed with 20.08, 20.30 and 22.07 times.

Robert McKee, 21.54 and Richard Kufalk, 26.14 were placers in the 36 and over race.

In the men's 10,000 meter run in the 14-18 age group, Robert Otten, Mike Worthington and Joel Fries placed first second and third with 33.29, 39.58 and 50.05 times. In the 19-25 age category, Doug Rector, Gary Weston

and Jeff Sorensen placed with 33.03, 34.38 and 36.49 times.

Mike Koob, 37.50, Ronald Lang, 41.25, and Steve Bartlett, 45.46, placed first second and third in the 26-30 age group, while Dean Denman, Deryl Denman and Norm VanRooyan were placers in the 31-35 group with 37.05, 38.01 and 45.10 times.

Dick Witt, Joseph Dillmann, John Eslinger all placed in the 36 and over group with 43.03, 45.35 and 45.45.

IN THE WOMEN'S 5,000 meter run, Mary Mattson and DeDe Van Heirsele placed first and second in the 14-18 year old category with 27.05 and 27.48 times, while Nancy Gardner turned in a 24.29 time in the 19-25 age group. Susan Antonelli turned in a 31.22 time in the 36 and over group.

In the women's 10,000 meter race, Elaine Koncar, 42.19, Diane Otten, 43.52, and Marcy Denman, 45.44 placed in the 14-18 age group, while Karen Van Heirsele placed with a 44.09 time in the 36 and over group.

Haley names

Appointments were made by Mayor Michael Haley at the Antioch Village board meeting held June 2. Haley appointed Arlene Gussarson to fill a zoning vacancy until 1983, and Jim Litchfield to fill a parks seat until 1985.

Appointed to fill three vacant seats on the planning commission were Al Berkiel, term expiring in 1983, and Steve Smouse and Jerry Kozinski, terms expiring in 1981.

The board also voted to hire Steve Kussman as police patrolman.

In the finance department, the board voted to pay Applied Engineering Co. for their studying of the Orchard/Hillside Paving project, and also to pay various bills from the construction of the fire safety building.

Grade school board posts notice on ball diamond use

The Antioch Grade School board of education enthusiastically approved the purchase and construction of two backstops to be used at the upper grade baseball diamonds. The backstops will be 20 feet by 10 feet with 10 foot wings. The main section of the stop will include a six-foot overhang which will be mounted on a 45 degree angle.

The backstops will be purchased from Meier Masterbuilt of Fox Lake, and both the village and the school will provide installation.

The board also posted a notice in regard to the use of the baseball diamonds on the upper grade property. "The diamonds are scheduled on a very strict basis, and we are requesting that people wishing to use the field contact the school's business office or the park district for permission," Supt. Don Skidmore related.

IN OTHER BUSINESS, the board will update the math curriculum with a minimum of \$1,000 grant available from the Illinois Council for Education Improvement. The grant will be used to rewrite the math curriculum at the junior high level, focusing on the sixth grade curriculum, and expansion of the calculator project in the fifth grade.

Auditions slated for musical

Auditions for PM&L's summer musical "Gigi", will be held at the PM&L Theatre, 877 Main St., Antioch from 8-11 p.m. on June 9, 10, and 11.

Barbara Miller who has been director at Andre's Dinner Theatre will direct this production. She requests that everyone wear clothing suitable for dance tryouts. There are roles for seven men and seven women in speaking parts as well as a need for chorus personnel.

"Gigi" will be presented on August 1, 2, 3, 8, 9, and 10. Call 395-3055 if you are interested in trying out, but can't make the audition dates.

Don't forget great dads

With Father's Day just around the corner, the Antioch Chamber of Commerce and Industry is urging youngsters to fill out in 25 words or less, "My father is the greatest because..." The deadline for entries for the contest is June 12, and they must be turned into the Chamber office located on Main St.

The winning father will be announced after Father's Day, and will be awarded prizes donated by Antioch merchants, according to Lu Al Clark, retail committee chairman.

WHAT A MESS — Messy is word for youngsters painting in child care class at ACHS, Lisa Kamerad is no exception either. Class runs for semester, high school students learn about child care.

Child care class gives all 'kids' experiences

The child care and career classes at Antioch High School finished a preschool nursery class as part of the child care program on May 22. The nursery ran for a little over one month and is directed by Lucille Hacht.

Students enrolled in both the careers class and child development participated in the nursery, that encouraged enrollment from three, four and five year olds in the Antioch School District. Parents were responsible for providing transportation for their children and a \$3.50 fee was charged for class materials. The class ran from 9 until 10:45 a.m. on Mondays, Tuesdays and Thursdays.

According to Miss Hacht, there was a student acting as

teacher each of the days that the nursery was in session. The teacher had an assistant, and other class members observed procedure of both preschoolers and their classmates.

"The students were responsible for planning class time and deciding what would be taught, and what to stress to the children," Miss Hacht stated.

Although there was some fun time during the class periods, language, rhythm, color movement and physical activities were incorporated into the course. Small science projects were also attempted during the class, and the youngsters took home plants.

High school students that enroll in the child care class, do so, according to Hacht, for a number of reasons. "Some are going to pursue a career in child care. I had one boy that went on to teach handicapped kids, and he knew right from the beginning that the class would benefit him," she stated. She pointed out that others took the class that were planning on teaching and child care.

The child careers class has been in progress for 10 years, there are four classes involved in the nursery per year, and each class is a semester long.

Jaycettes urge prompt payment

The Antioch Jaycettes held a highly successful fundraiser in the form of a bowl-a-thon at the Antioch Bowl on May 18.

"Over \$4,000 was raised for the study of therapy for autism," stated Jaycette president Sue Dubs. "It is extremely rewarding to realize the support, as we did, from the Antioch community."

According to Bonnie Bruski, project chairman,

WINNERS

Antioch Moose Lodge softball team beat Wauconda Moose Lodge, 23-4, upping their record to 2-1-1 on the season. The Antioch team holds the championship for two consecutive years.

donations were due to the Jaycettes by June 1. Bowlers who have not turned in donations from their sponsors, should do so as quickly as possible. They can be turned in at the Antioch Bowl, or mailed to the Antioch Jaycettes, P.O. Box 254, Antioch, 60002.

'83 OFFICERS

The sophomore class at Antioch High School has elected officers and student council representatives for the upcoming school year. Reps are Gary Quedenfeld and Tonya Wallace. Elected president was Joel Fries; vice president, George Gilliland; secretary, Julie Dorich; treasurer, Amy Vehn.

ACHS fine art students recognized for work

Antioch High School recently held an all school art show, and selected winners from 100 art pieces entered in the show. Recipients of awards were honored at the fine arts night, with choir and band members also receiving honors.

Judges for the art show were art instructors Lynn Zemaitis, Salem High School; Cathie Goodwin, Antioch Upper Grade School; Laura Beckman, math instructor and artist from Antioch High School.

Receiving the best of show trophy was Jackie Kempher for her oil painting titled "Yellow Rose". She also received a second and third place ribbon for two other oil paintings, "Babbling Brook" and "Apple".

OTHER RIBBON winners included first in oil, Scott Eichler; first in drawing,

Alan Ziegler; second in oil, Becky Boehm; second in drawing, Beth Venn; third in oil, Peg Ducommen; third in drawing, Stacy Slazes and Jan Okrezik; first, second and third in pastels went to Paul Farmer, Pete Cleven and Dino Sisto.

In ceramics, Greg Sutton received first and third ribbons, while Jackie Zakis received a second.

In sculpting, Kathy Elfering placed first, Bill Strahn, second, and Greg Sutton, Jan Okrezik, Sue Williams won thirds.

Other awards went to Kathy Feldman and Brenda Harris, first and second in batik; Debbie Wendland, first and second, and Brenda Harris, third in weaving and basketry.

Bob Schneider received a first for his lettering of Elizabeth Browning's poem,

"How Do I Love Thee", while Dorothy Vos received recognition for her pop-art ceramics, "Cheetos".

Book worms beware of count

The Antioch Township Library will be closed the week of June 9 for inventory, according to Betty Lu Williams, librarian. She urges patrons to stock up on reading material to last until the library reopens on June 16.

People using the facility for the free blood pressure clinic held Wednesday, June 11, should use the back door

which will be opened at 1:45 p.m., and go directly to the room where it is held. The clinic operates until 4 p.m.

The U.S. Dept. of Agriculture's national school lunch program provided 4.4 billion meals in 1979.

Computers 'update' Antioch Travel

Antioch Travel, located at 425 Lake St. in Antioch, has expanded ticket services by making reservations more readily available.

The travel agency has installed computers which eliminates the waiting period for a customer seeking reservations for a trip, be it business or pleasure. "Many times people would have to wait a good deal of time before we could confirm reservations while we phoned airlines," stated Valerie Baczynski, manager of the agency. "But now, we can do everything by just checking the computer."

The Antioch agency, owned by Wally and Dorothy Daniels, is the only one in the northern area of Lake Coun-

ty to provide the computerized reservation system. "Our customers include many from just over the Wisconsin border, to Lindenhurst, Lake Villa, Fox Lake and Spring Grove residents," stated Baczynski.

The reservation system has been in a little over two weeks and does not effect the price for the customer, and according Baczynski, who has managed the agency for two years, the volume of people using Antioch Travel necessitated the computers. "The instant availability of information is really a plus for our customers."

Antioch Travel plans an open house in the near future to show customers the new equipment.

LaChance lands scholarship

Keith LaChance of Lake Villa has been awarded a Monmouth College Honor Scholarship for the 1980-81 school year.

LaChance, the son of Mrs. Ruth E. LaChance, will be a freshman at Monmouth this fall. He will graduate in June from Antioch Community High School. LaChance plans to major in chemistry.

Monmouth College awards honor scholarships to outstanding entering freshmen to recognize their academic excellence. Eligible students rank near the top of their high school class and have high scores on entrance examinations.

Forty students, eight of whom were valedictorians of their graduating classes, were designated honor scholars last fall.

While in high school LaChance was treasurer of his class and a member of the National Honor Society. He is an Eagle Scout and a member of Order of the Arrow. He has also been active in his church youth group and is the recipient of

an American Legion citizenship award. LaChance has also been a member of the Ski Club and Spanish Club.

Along the way with ANNIE MAE

Some really funny things have been going on in town lately, and I don't mean bouncing up and down Main St. as the wait for smooth pavement continues. Actually, it won't be that long now as the construction companies have said that the work should be finished by July. Sure will be nice to be able to drive along and not worry about the jostle.

Speaking of driving, I heard a rumor that there may just be a surprise guest at Kenosha County Speedway in the near future. Gordy Sill told me that he heard that Chuck Clark might show up in his spectator car to race with the best of them...heard he was at the Dug Out last weekend having lots of fun trying to make baskets in the bucket...probably should try and get over to Wilnot to watch the races someday.

Oh! back to the Dug Out...I just happened to stop up there last Saturday to watch 12 inch tournament action, and who should I run into but Bill Buckner's little brother, Ronnie. He just happens to be a member of the Wolves from Chicago. The games were so exciting to watch as the teams were the best of the best.

The Moose Club has some active clowns that will be at the Winchester House in Libertyville on Father's Day. According to Twigg, (that's one of the clowns) they should entertain over 350 people with their antics. Such a nice thing for them to do.

Talk about clowns...I was at the Jaycees installation banquet May 24, and boy, was there some clowning around going on. Everyone had a real good time, and you should have seen some of the gifts they got. I really can't remember

everything, but I do know that Chuck Spillner got a glass with his favorite football team emblem on it, Bill Anderson got some fortune cookies, which no one seemed to be able to read, and Ron VanScoyoc got a cute little cup with a frog in it.

The guys and girls received some very nice awards, and the speaker for the evening was most impressive.

The Jaycees are hoping to wrap up their bowling project by getting everyone's pledges in as soon as possible. The deadline was June 1, so anyone that bowled should get their money in as soon as they can.

The other day I was driving through the Main and Lake St. intersection, and who did I see, but Ronnie Allen directing

traffic. What a brave thing to do. He was so enthusiastic about the whole thing, that when a young girl hollered, "Hey good looking!" he didn't even flinch. What a great person defending our fair village.

Lt. Tom Fisher is just so excited about baseball that he told me about the Little League team he helps out with. I guess they won a game over the weekend, so good for them.

Missed Dixie Sparks at the Chamber office this week. Sure hope she had a nice vacation. She deserves it with all the hard work does.

Praises ACHS system

I am a deputy sheriff. I was working at Interlaken Hotel at Lake Geneva May 17, when Antioch High School held its junior prom there.

I was very impressed with the behavior of your high school students. I was equally impressed with the sincerity of the chaperones, the assistant principal, and the superintendent.

There were three of four cases of students who were of age or out of school who had beer in their cars. They were told to get rid of the beer immediately or to leave the area. In all cases they respected the orders of the chaperones.

I want to thank the students and school officials for making this a very orderly event. Your community must have a well disciplined school system.

Sincerely yours,
Thomas J. Vogt

DRINKING

Antioch Police Officer Ron Roth arrested Greg Mouton, 17, of Antioch and charged him with drinking in public and possession of alcohol by a minor on May 31 and was arrested in the Oakwood Knolls Subdivision. Mouton will appear in Fox Lake branch court on June 26.

P.S. There was a Charles Moorman family from Antioch who were at Giessen Germany with me in 1955. I have not seen or heard from

them since 1954. They had a son by the name of Tom and a daughter. I would like information where I could write to them if they are still around.

Cabin's gone; hits hard

Editor:

It has recently come to my attention that the log cabin that once stood on the Antioch Upper Grade School property is no more... once again, progress has plowed under the work of many hands, the pride of a job well-done.

A group of dedicated teachers and many eager students worked side by side to build that cabin, log by log. And once finished, that cabin stood for many things — a satisfaction of working toward a common goal, a reverence for our environment and all of its beauty, and the importance

of preserving our natural resources... an education in its truest sense, by doing.

It is too bad that those responsible for destroying that log cabin have lost sight of what a true education really is!

Jaycees thank donors

(Editor's note: Due to an oversight, this editorial information was omitted from publication a few weeks ago. The Jaycee sponsored blood drive was held March 29 and was very successful.)

Editor,

The Antioch Jaycees recently enjoyed a successful blood drive in the memory of Dr. John Lorang, by collecting over 100 pints of blood for the Blumberg Blood Center. The event will be held again to gain full blood coverage for all residents of Antioch Township as 450 pints of blood are needed to gain this coverage.

We would like to thank the following people, organizations and businesses for the support of the project: Pete Clevon and the First National Bank of Antioch, for financing the project; Irene Clevon, volunteer nurse; A&P, for donating orange juice; local newspapers for promoting the event; McDonalds, for donating free coke for donors; all Antioch community churches, especially the Antioch Evangelical Free Church; Antioch High School child care careers class for day care service; The St. Peter's Blood Drive

Committee; Dixie Sparks, secretary, Antioch Chamber of Commerce and Industry; the Lorang family; Orchard Medical Center; the Village

of Antioch and especially all the donors who supported our project.

'Dish Up' to size

Based on a recent survey of children's eating habits and nutritional needs done by the U.S. Dept. of Agriculture, rules governing lunch programs at both grade and high schools will be changed, and will go into affect starting next fall.

The survey found that meal and portion sizes at individual schools should be tailored after the eating habits of children. The measure is expected to reduce plate waste among younger children and also do a better job of meeting the nutritional needs of older children.

According to Don Skidmore, superintendent of Antioch Grade Schools, there won't be that much of a change of menu at the grade schools in the Antioch area. "The recent ruling is a topic at our next board of education meeting," he stated.

Skidmore pointed out that portion sizes may change, and that a definite addition to the current menu would be two-percent milk. "We have talked of having soup available to youngsters for a lighter type lunch, but so far, that has been decided against."

Currently the grade schools offer a hot lunch for 60 cents, and milk for students bringing their lunch.

'Whodunit'? find out from PM&L players

The baffling Agatha Christie mystery, "The Hollow," opens this Saturday night, June 7, at the PM&L Theater, 877 Main St., Antioch. Four subsequent performances of this murder mystery are scheduled for Fridays and Saturdays, June 13, 14, 20 and 21. Curtain time for all five shows is 8:30 p.m.

Bill Sershon directs the PM&L production of "The Hollow." Deeply embedded in the Agatha Christie tradition, the play tells the suspenseful tale of murder committed in the midst of an aristocratic British family beset by crosscurrents of changing social customs,

ruthless ambition, romantic intrigue and sex triangles. As Scotland Yard's Inspector Colquhoun, played by Don Beveroth of Paddock Lake, so aptly points out, anybody could have done it.

Among those who could have done it are, Henrietta Angkatell, portrayed by Pat Sershon, Antioch; Sir Henry, George Blanksten, Antioch; Lady Angkatell, Ricky Apostol, Antioch; Midge Harvey, Tracy T. Kiederlen, Antioch; Gudgeon, the darkly ever-present butler, Jim Bishop, Round Lake; Doris, the fetching housemaid, Nancy Balmes, Antioch; Gerda of the sex

triangle, Dee Baum, Antioch; her dashing husband John, D.H. Martin Dömeracki, Antioch; an amazingly glamorous movie star, Vicki Tolash, Libertyville; but probably not Sergeant Penney of Scotland Yard, Bob McKee, Antioch.

"The Hollow" completes PM&L's current Season XIX. One doesn't have to be an incurable Agatha Christie fan to enjoy this murder mystery. To try a hand at sleuthing, remember to call 395-3055 to make reservations, and to be at the theater by 8:15 on the night you plan to see the show.

Lake Villa lady to exhibit at fair

Barb Coia, Lake Villa, will be among exhibitors at the ethnic/folk arts and crafts adventure presented at Barrington Square Mall, Higgins and Barrington Rds. in Hoffman Estates.

The event sponsored by the American Society of Artists, a national membership organization, will be held from 10 a.m. to 5:30 p.m., Saturday, June 7, and from noon until 5 p.m., Sunday, June 8.

Ms. Coia will be exhibiting and demonstrating macrame at the show which will feature a demonstration of the rare art form of copper wheel engraving on glass by artist Charles Gunter.

ADVERTISING

For every \$100 consumers spend for food, less than one percent goes for mass media advertising excluding local newspaper ads.

Volo Bog to open

The Visitor Center at Volo Bog State Natural Area will open on June 16. The public is invited to attend the opening ceremony scheduled for 1:30 p.m.

Opening remarks will be presented by Dr. David Kinney, director of the Illinois Dept. of Conservation; Dr. William Beecher, director of the Chicago Academy of Science; and Mary Lou Marzuki, chairperson of the Illinois Nature Preserves Commission. Tours of the Visitor Center and newly expanded Interpretive Trail will be given following the opening remarks.

Three for one from Players

"Puss 'N' Boots" leaps from the book onto the stage and into many hearts as it will be performed by the Charlie Brown Players at the Salem Grade School in Salem, Wis. Show dates will be June 13, 14 and 15.

The main 'cat' in the show, is given to the youngest son in the family. To prove loyalty to the new owner, the cat will take the audience on an adventure.

Two more skits will follow the show, one about a drip that won't quit and the problem it creates. Then "The Man Who Wasn't There" is about a man from

another planet who befriends a boy from this planet.

To make reservations for the "three-for-the-price-of-one show," phone 414-862-6036 or 312-395-3290.

ARREST

Carolyn Janus, 25, of Richmond, was arrested by Antioch police and charged with theft under \$150, after she was allegedly observed shoplifting at the Ben Franklin in Antioch. Officer Robert Lang made the arrest, and she will appear in Lake County Court on June 26.

Qualifying golf round set at Cog Hill in Lemont

Chicago qualifying rounds for the National Public Links Golf Tournament at Chicago have been scheduled at the Cog Hill Golf Club, Lemont, Ill., on Monday, June 23.

The announcement was made by Julio Campagni of Highwood, United State Golf Assn. Representative, and Chairman of the

Chicagoland qualifying trials. The National Tourney will be held at the Edgewood Tahoe Golf Course, Stateline, Nev., July 14 through July 19.

Campagni's goal is to attract an entry of approximately 200 for the trials at Cog Hill, where the qualifying play will consist of two 18 hole rounds. Two courses of the Cog Hill Club will be used, and all entries will play one round on each course.

The number of berths allotted each qualifying site, however, is dependent on the size of the field. A strong field at Cog Hill will guarantee at least six places.

All golfers who do not hold membership in a private club and are amateurs in good standing, are eligible to compete. Entry blanks can be obtained from Campagni, who can be reached at 312 Ashland Ave., Highwood, or by phone at ID 2-6913.

Last year's National was held on the West Delta Golf Course, Portland, Oregon and the winners in the Chicagoland trials were: Merritt Cook, Jr., Lombard; Roy Biancalana, Franklin Park; Dave Ogrin, Waukegan; Alfred Ballard, Chicago; Michael Johnson, Rockford.

A committee of 10 men will supervise the qualifying trials at Cog Hill Golf Club.

Women organize

An organizational meeting was held by the State Bank of Antioch Women's Golf League on Wednesday, May 21, at Harbor Ridge Country Club.

The women will be golfing at Harbor Ridge this season.

Rules, scoring, awards, dues, fun day and the banquet were discussed. All participants in the league are urged to arrive at the club promptly at 7:45 a.m., opening day, Tuesday, June 10.

Nancy Berchtold was selected fun day chairperson. In charge of the fall banquet will be Delores Scarpelli, Joan Casey, Lorraine Hitchon, and Irene Teresi.

Officers for the coming season are president, Annette Lubkeman, vice president, Lorraine Hitchon; secretary, Dorothy Teister; treasurer, Marge Solar; rules, Irene Teresi and publicity, Mary Seemann.

Michigan racer wins two

Gerry Olson, Gladstone, Mich., won his first two races of the season at Kenosha County Speedway May 31 as he brought home the checkered flag in a heat and the 25-lap super-modified feature.

Olson led from start to finish with Bill Kojis holding runner up spot all of the way. Darrell Dodd worked through the field quickly to third where he held off repeated challenges by Joe Kristan who placed fourth.

Ron Marish was a first

time winner also as he won the semi-feature. Point leader Dick Colburn won a heat along with Bill Schmidt. Rick Schmidt posted fast time with a 15.88 lap.

TOM TEATERS, Waukegan, won his first modified feature ever and he also won a heat.

Teaters worked his way through the field taking the lead from Homer Ansell on the eighth lap. Allen Winker followed in second and John Zivko was third.

Bill Kelly set fast time

with Darv Nissen winning a heat and Bill Fuesting won his first modified race with a victory in the second heat.

Ken Zeisse, Paddock Lake, won the late model sportsman main event with Duke Norton and Mike Klemko a close second and third, respectively.

DAVE ZILMER won the semi-feature with C. J. Lindholm, Steve Kovac, Jerry Heywood and Zeisse winning heats.

Heartworm disease in dogs can be curbed

A recent study which shows heartworm disease among dogs in Illinois indicates that it can be brought under control if owners make sure their companion animals are properly treated according to Jack Noyes, the Illinois State Veterinary Medical Assn. heartworm committee chairman.

A study by the Lake County Health Dept. shows that the number of positively tested animals with heartworm disease has declined steadily over the past seven years. In 1973, the percentage of positively tested animals was 5.3 with a total of 14,109 dogs probed.

In 1979, the total probed jumped to 23,187 but those discovered to be positively infected by heartworm disease declined to 0.9 percent.

In a breakdown by towns in the Lake County vicinity, Antioch places third behind Mundelein and Grayslake with positively detected heartworm disease. Out of 22 towns and a total of 23,187 dogs tested, Antioch shows a 1.5 percentage of heartworm infected dogs. Mundelein's percentage is the highest with 3.4, while Grayslake shows 1.5.

The deadly heartworm, often fatal to dogs, is transmitted into the animal's bloodstream by mosquitoes. The microscopic larvae (baby heartworms) even-

tually make their way to the heart (it may take as long as six months) where they may grow to be six to 12 inches long with a diameter about the size of the lead in a pencil. Heartworm disease severely damages the lungs, liver and kidneys in addition to the heart.

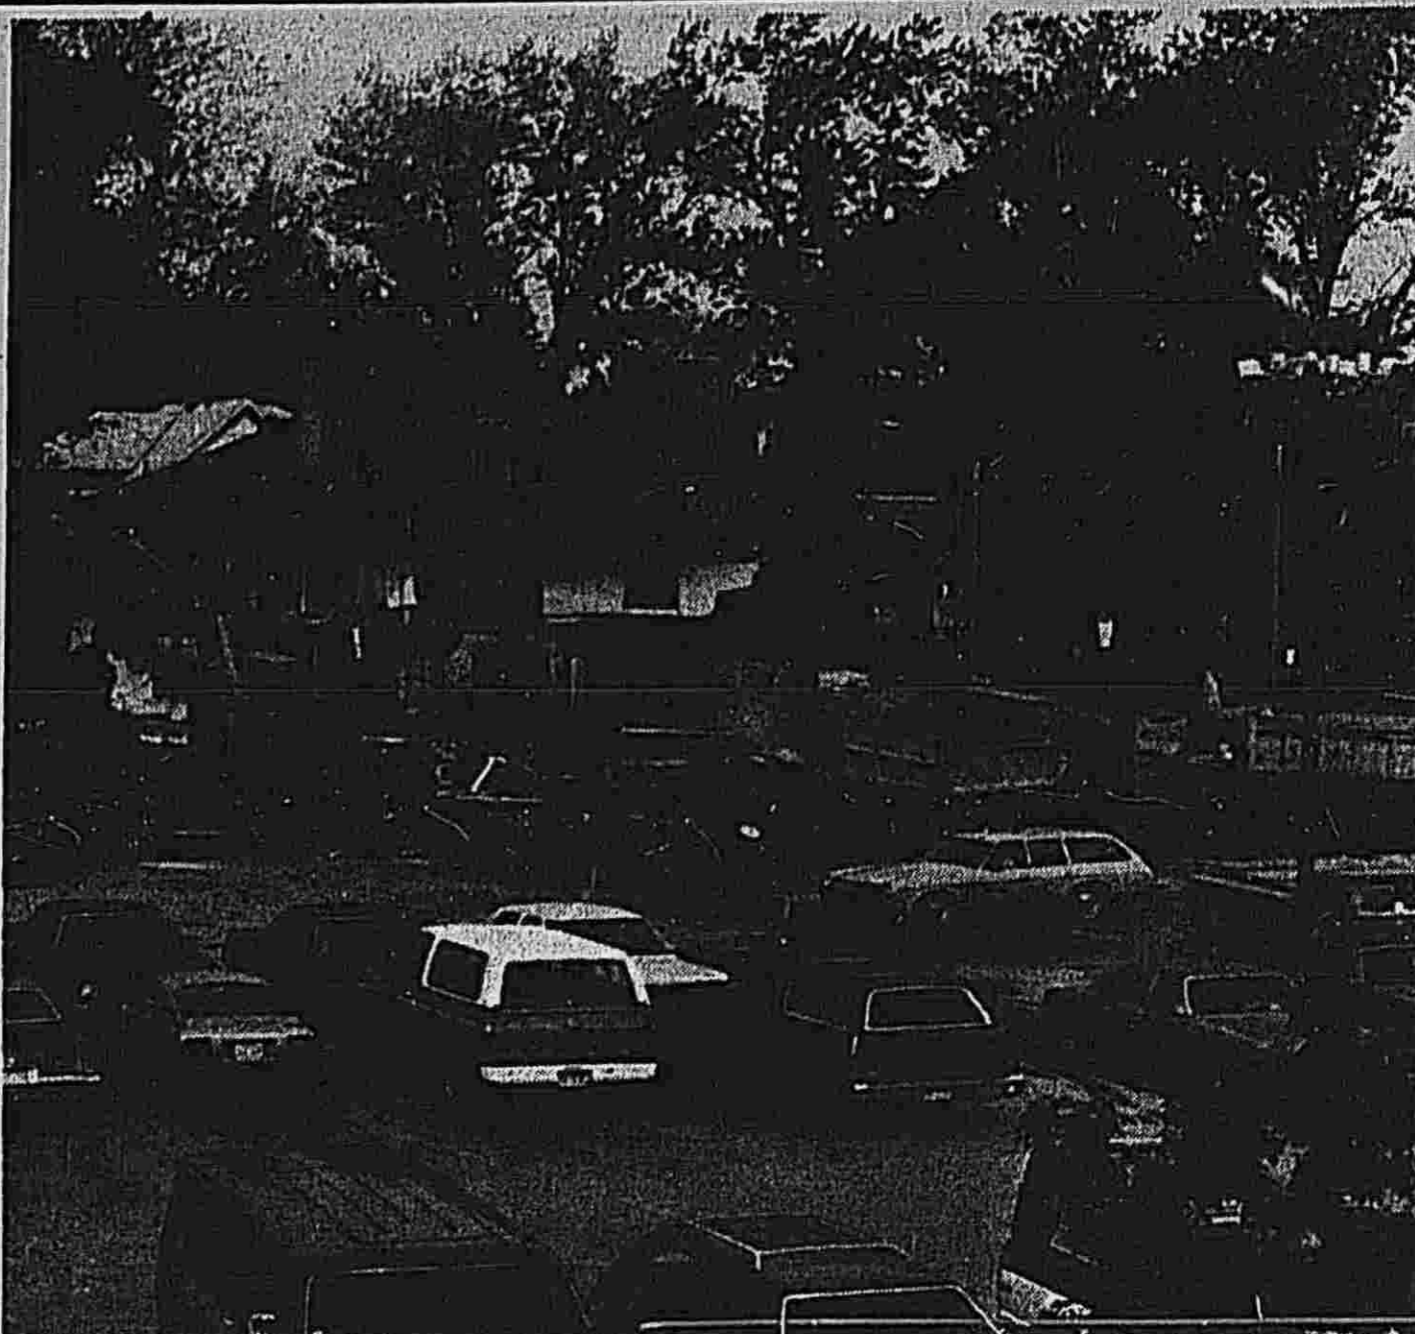

Symptoms of heartworm include difficult breathing, rough hair coat, listlessness and coughing. "If the disease is unchecked, coughing will intensify and the dog may cough up blood. Once it reaches that stage, it is usually too late for treatment, and death may follow," Dr. Noyes said.

The best treatment for heartworm disease is preventive medicine, Dr. Noyes advised. "Ask your veterinarian if it is necessary to place your dog on preventive medication. It should be started at the beginning of the mosquito season and continued until two months after mosquito season is over.

"Even if a dog lives in a low incidence heartworm area, it's a good idea to protect your pet when you are vacationing in summer lake regions or winter southern areas," Dr. Noyes cautioned.

Heartworm disease can usually be effectively treated if detected early enough by injecting a solution into the bloodstream which kills the adult worm.

The ISVMA is a professional organization of 1,000 veterinarians dedicated to providing the best possible companion animal care, protecting the public health and ensuring a healthy food supply. State headquarters are located in Aurora.

1980 seasonal electric rates that will help us all save.

In the past, our customers paid a uniform rate year round for the amount of electricity used. But times have changed.

Energy conservation is a national policy A necessity. And we believe that seasonal rates, introduced last year, can help. Not only to conserve energy now, but also to moderate rising energy costs in the long term.

Although the old, uniform rate was easier to understand, it didn't actually relate to the cost of producing electricity. Because the cost varies with the season. Customer demands for electricity are highest in summer, so we have to invest in expensive new generating capacity to meet summer peak demands. Reducing these peak loads, therefore, would benefit us all.

Before, with a uniform rate, there was less incentive to hold down use in summer when conservation was most needed.

Seasonal electric rates are, therefore, higher in summer and lower during the rest of the year. For the four summer months, the charge will be 5.9¢ per kwh and then drop back again to 4.8¢ per kwh for the next eight months.

For the average residential customer, the rates will balance out and the total annual cost will be the same. But for the customer who watches summer energy use closely, there's an opportunity to save energy and money.

If you have an air conditioner, you now have an added incentive to keep the thermostat at an energy-saving 78°. Also to clean the filter regularly. To keep storm doors and windows in place all year long. To pull blinds on sunny days. To limit hours of use. Or if you're planning to buy an air conditioner, select a machine with a high-energy-efficiency ratio (EER of 8 or higher).

Lowering summer demand for electricity will reduce the need for new investment. And that will help slow the rise in electric rates in the years ahead.

There are 101 additional ways to conserve energy that we'd like to share with you. You'll find them in "The Waste-Watcher's Guide." For a free copy, write Commonwealth Edison, Department AV, Box 767, Chicago, Illinois 60690.

 Commonwealth Edison Working for you

JANUARY 4.8¢ per kilowatt-hour	FEBRUARY 4.8¢ per kilowatt-hour	MARCH 4.8¢ per kilowatt-hour	APRIL 4.8¢ per kilowatt-hour
MAY 4.8¢ per kilowatt-hour	JUNE 5.9¢ per kilowatt-hour	JULY 5.9¢ per kilowatt-hour	AUGUST 5.9¢ per kilowatt-hour
SEPTEMBER 5.9¢ per kilowatt-hour	OCTOBER 4.8¢ per kilowatt-hour	NOVEMBER 4.8¢ per kilowatt-hour	DECEMBER 4.8¢ per kilowatt-hour

The 1980 Electric Year.

The electric rate will be slightly higher in summer to encourage conservation — but lower during the rest of the year. Your summer rate period may begin as early as May 15 and end as late as October 14, depending on when your meter is read. However, it will never exceed four months.

You can determine the approximate beginning for your particular residence by looking at the billing period on the stub of your May bill. If the period ends on May 15 or later, the ending date is the start of the first summer billing month for your home. For example, if it is May 30, the bills for the periods ending on or about June 30, July 30, August 30 and September 30 will be at the higher summer rate. And after September 30, the kilowatt-hours you use for the next eight months will be billed at the lower winter rate.

Setting The Facts Straight

It is not a "fact of life" that several or all of the permanent teeth have to be lost as we grow older. Except for accidents or malformations, teeth are lost as a consequence of decay or periodontal (gum and bone) disease—conditions which can be prevented or arrested by timely and proper care. The primary cause of loss of teeth is neglect!

A toothache that "goes away by itself" does not mean that the tooth has recovered from whatever affected it. Pain is a warning signal that something is wrong and that no time should be lost in consulting a dentist.

Fillings do not weaken teeth! The truth is that unfilled cavities weaken teeth, and if neglected lead to loss of a tooth which timely filling could have completely prevented.

Drinking lots of milk does not prevent tooth decay. In fact, the biggest milk-drinkers, usually show the most cavities, due to a milk sugar called lactose. Milk cannot arrest the process of tooth decay or prevent its inception.

A public service with the aim of promoting a better dental health environment. From the office of: **ROBERT J. PAULETTI, D.D.S., Route 1, Antioch. Phone: (312) 393-1363.**

Wilmot adds to night of racing

A second night of racing will be added to Kenosha County Speedway's stock car racing schedule with Stock Car Racing Assn.-Midwest (SCRAM) late models and sportsman cars running Wednesday nights beginning June 11.

SCRAM will be sanctioning the races with Toft Auto Racing, Inc. (TAR) handling the promotions.

Races are scheduled every Wednesday night through August 27. A separate championship point standings will be kept for the midweek shows.

Among those expected are former Wilmot modified champion Whitey Harris, Lake Villa. Al Schill, Bill Strom, Mike Melius along with two local drivers, Tom Homan and Don Collins of Antioch are among the many SCRAM late models expected.

Some of the late model sportsman drivers which run

Saturdays, at Wilmot have also indicated that they will run.

The SCRAM drivers and Ray Toft, president of TAR, are both equally excited about bringing another night of "affordable family fun" to the one-third mile clay track.

Gates will open at 6 p.m. with qualifying at 6:30 and races beginning at 8. The track is located just north of Wis. Hwy. C on Wilmot Rd. Track weather/information phone is 414-862-2446.

The Wilmot facility is replacing Cedarburg Raceway on the SCRAM schedule. Cedarburg closed its doors for good last fall.

Kenosha County Speedway also hosts super-modifieds, modifieds, late model sportsman and spectator cars on Saturdays.

RED MEAT

The U.S. produced 17.1 million tons of red meat in 1979. That was 22 percent of world output and 50 percent above that of the USSR.

VALUABLE

The value of per acre of farm real estate shot up 16 percent nationally in 1979. That followed a 12 percent boost in 1978 and a nine percent hike in 1977, reports the U.S. Dept. of Agriculture.

Two county coroners wait toxicology reports

McHenry County Coroner, Jim Flagg and Lake County Coroner Mickey Babcox are waiting for toxicology reports concerning recent deaths in the Antioch area.

On May 21, 61-year-old, Antioch resident Kenneth Barty died of what Lake County authorities have determined a suicide, however, deputy coroner, Donna-Mae Litwiler said that before a coroner's jury can rule that the death was in fact suicide, a toxicology report must be received. "That can take up to three weeks," Litwiler pointed out.

Authorities also stated that a note was found with Barty who was discovered dead in his garage of apparent carbon monoxide poisoning.

In the McHenry County case, Flagg stated that the death of Arthur Gjertsen Jr. was from natural causes, but again, his office is waiting for a toxicology report. "When someone that young dies, we don't rule out

anything, however, it seems to be natural causes.

MR. GJERTSEN WAS 31 and resided in Richmond. He died suddenly May 24 at McHenry Hospital. He was a graduate of Grant High School and Mankato State College, in Mankato, Minn. as a member of Sigma Alpha Epsilon. He was employed with Grossman Plumbing Co., Fox Lake and a member of Plumbers Union Local 93 in Waukegan.

Mr. Gjertsen was active in softball leagues in Lake and McHenry Counties. As coach and player, for the last 10 years, on Furlan's Dug Out 16 inch team in Trevor, he enjoyed the sport. As a high school senior, he was named to the all-conference baseball team.

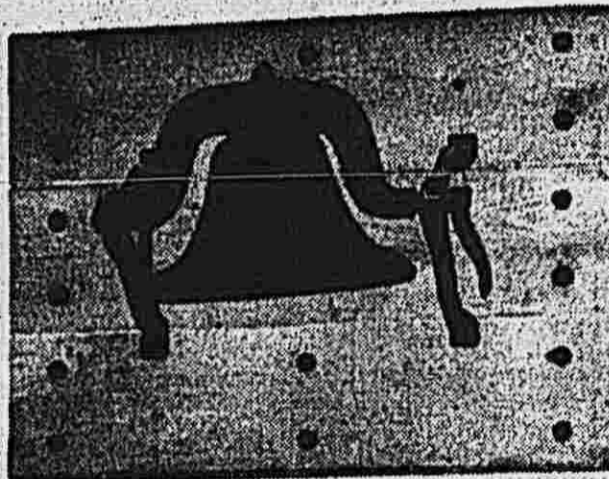

According to Tom Furlan of the Dug Out, the 16 inch classic Memorial Day tournament held each year at his park, will be dedicated to Gjertsen. "Members of the team are also trying to get a tournament going as a fundraiser for his wife," Furlan said.

Weddings

LT. AND MRS. JOHN P. KELLY

Miss Kathleen Stroschein of Waukegan became the bride of John P. Kelly, Mundelein, April 19 at a military wedding ceremony officiated by Rev. Francis L. Johnson at St. Peter's Church in Antioch. The bride is the daughter of Mr. and Mrs. Francis Stroschein of Antioch. The groom's parents are Mr. and Mrs. John J. Kelly, Jr. of Alexandria, Va.

The bride, given away by her father in the double ring ceremony, wore a floor length gown with a chapel-length train of silk organza enhanced by Venetian lace. The bodice feature a Queen Ann neckline and full length Juliet sleeves. The headpiece was made by the bride.

The end of the ceremony was highlighted by the arch of swords.

Connie Davis, Round Lake, served her friend as matron of honor. Bridesmaids were Phyllis Oscarson, friend of the bride, of Mundelein, and the bride's sisters, Terri Roach of Bristol, Wis., Pam Banks of Marshalltown, Iowa, and Val Stroschein of Antioch. Patience Banks, the bride's niece of Marshalltown, Iowa, served as flower girl.

Lamar Ratcliffe of Mundelein attended the groom as best man. Groomsmen were Ken Ristow of England, Dave Kral and Bob Nash, both of Lake Bluff, and Matt Burda of Lake Villa. Serving as ushers were the bride's brothers, Tom Stroschein of Milwaukee and Jim Stroschein of Antioch. Patrick Kelly, the groom's nephew from Parkersburg, W.V., was the ring bearer.

Following a reception at Consolidated Mess Open at Great Lakes Naval Base, the couple traveled to Yokosuka, Japan, where they will live for the next two years.

The bride, a 1975 graduate of Antioch High School was employed as auditor for the Navy Regional Finance Center at Great Lakes Naval Base. The groom, a 1975 graduate of Villanova University, is a lieutenant in the U.S. Navy serving as assistant to the commanding officer at Great Lakes Naval Base.

MRS. JEROME J. (CINDY STREIT) FLASCH

Miss Cindy Streit, daughter of Mr. and Mrs. Elmer Streit of Columbus, Ind., became the bride of Jerome J. Flasch, son of Mrs. Jerry Budill of Antioch, and the late Julius J. Flasch, at a May 31 ceremony officiated by Rev. John Schoettelkotte at St. Columba Catholic Church, Columbus, Ind.

The bride, wearing a ivory, lace trimmed gown, carried a cascade of burgandy roses with pink and white carnations and baby's breath. The attendants were attired in rose chiffon gowns.

Jane Streit, sister of the bride from Columbus, Ind., was the bride's honor attendant. Susan Rodgers, Columbus, Ind., Terri Spittler of Peoria and Sandy Klein of Skokie served as bridesmaids.

Amy Roth, the bride's niece from Shelbyville, Ind., was flower girl.

Daniel Powell of Lake Villa acted as best man. Groomsmen were John J. Flasch, brother of the groom from Baldwin Park, Calif., John Stangarone of Highland Park and Ken Fenster of Highland Park.

Following the ceremony, a reception was held at Harrison Lake Country Club in Columbus, Ind.

The bride is a senior at Southern Illinois University at Carbondale majoring in speech communication with a specialization in public relations. The groom, also a senior at Southern Illinois University at Carbondale, is majoring in physical therapy. The couple will make their home in Carbondale.

Woman ranked

Irene Beissner Delany has graduated with a Doctor of Medicine degree from the University of Texas Health Science Center at San Antonio. Dr. Delany is the wife of Stephen J. Delany, formerly of Antioch. They have two children, Tiffany, 10, and Cindi, 8.

Mrs. Delany ranked first in her graduating class of 93 men and 37 women, and was elected to Alpha Omega Alpha, the National Medical Honor Society. During her four years of medical school, she received three Texas Legislative Merit Scholarships, two Isabelle Brackenridge scholarships, and the Janet M. Glasgow Award of Achievement, presented by the American Medical Women's Assn.

Steve and Irene will remain in San Antonio, where he is the Personal Accounts Representative for Aetna Life and Casualty, and she will be doing a residency in Obstetrics and Gynecology.

Kim is a senior majoring in graphic arts, while Karla is a junior majoring in special education.

OUTNUMBER

There are more chickens in the world today than people, and the number of chickens is growing faster than the human population, reports the U.S. Dept. of Agriculture.

OUTDOOR WOOD

Wolmanized

Pressure-Treated Lumber

Build beautiful, long-lasting patios

When you build outside, use Outdoor® brand wood. It needn't be stained or painted. It's resistant to decay and termites. And it stays beautiful whether or not you paint or stain it.

This deck was built with Wolmanized® lumber... Outdoor wood. It's ordinary wood—pressure-treated with Wolman® preservative chemicals to keep it handsome, sturdy, and worry-free for dozens of years.

Considering how long Outdoor wood lasts, it's relatively inexpensive. Use Outdoor wood for your next project. You can be sure it will have the appearance and shape-holding qualities you expect because Outdoor wood is a high grade of material.

Be sure to look for the Outdoor® wood mark on each piece of lumber. If it doesn't have the mark, it isn't genuine Outdoor brand wood.

50 YEARS AGO: JUNE 5, 1930

With the motive for eight gang slayings remaining a matter of speculation, authorities are continuing their investigation into the alleged Capone-Moran feud which assumed a wholesale murder aspect early Sunday with the massacre of three gangsters at the resort of James L. Manning at Fox Lake. Sam Peller, 20th ward election terrorist of the Valley district; Michael Quirk, twice charged with murder and a known badman and Joseph Bertsche, a notorious crook, were the men killed, while George Druggan, brother of Terry Druggan, who with Frankie Lake made a million in the beer business and Mrs. Vivian Ponie McGinnis, wife of an attorney and daughter of a Fox Lake resort keeper, are believed to be dying of bullet wounds.

A north Antioch woman blames liquor for the family brawl. Mrs. Dexter claimed her husband had returned to the home in an intoxicated condition and started to fight. Mr. Dexter, a carpenter, declared he would prefer charges against his wife and Edward Wendling, a neighbor, who interceded when he heard Mrs. Dexter's screams. J. Dexter was on the receiving end of a terrific beating administered by his wife and Wendling and their residence bore signs of a real fight. Broken furniture, flower pots and glass were strewn profusely.

The Lake County Future Farmers Glee Club will have three numbers during the WLS noon hour program on June 11, the boys from Antioch performing are; Lloyd Atwell, Arthur Cook, Kenneth Denman, Charles Florio, Frank Hahn, Robert Hughes, Howard Mastne and Ralph McGuire.

For the first time in five years the Antioch community is asked to contribute funds in behalf of the Lake County Boy Scout work. Our community is endeavoring to raise the sum of \$300.

The large sign over the old entrance to the Wetzel Garage on Main St. was removed this week.

Three boys from Antioch High School received Rhodes metals for outstanding work in agriculture. They are Lloyd Barnstable, Wm. Yopp and Homer Edwards.

30 YEARS AGO: JUNE 1, 1950

Clarence Crowley, president of Antioch fire district No. 1, turned over the keys of the new tank truck to Edgar Simonson, Antioch fire chief. The new Chevrolet 1000-gallon pumper truck replaces the one destroyed in an accident last year. Crowley and Ed Vos of the Antioch Lumber Co. supplied refreshments for the department after the presentation.

The Antioch Grade School picnicked today in celebration of the last day of school. Classes of the third to seventh grade were taken in school buses to Fox River park. Principal Richard Whitacre said that the trip was decided upon because the grounds around the school are too busy with workmen and equipment to make it safe for the children. The kindergarten, first, and second grades picnicked at the school and were accompanied by their parents.

FBI agents quizzed Robert Laurent of Evanston regarding his possible participation in the bank robbery here in Antioch on March 3, but he denied it. Laurent, admitted he took part in a robbery at Tilne, Ky., a week ago. One bill taken from the Antioch bank in the robbery here showed up in the southern part of the state near where the recent robbery occurred.

National Food Store — Fancy Australian Lobster tails . . .89 cents lb.

10 YEARS AGO: JUNE 4, 1970

The Antioch Rotary Club gave a farewell dinner for Foreign Exchange student, Daniel Carod of Ceppileto, Argentina, who has spent the last ten months living with the Mike Ano family and attending Antioch High School. Danny's parents, Mr. and Mrs. Julio Carod, were present at the dinner, which was held at the Brave Bull Restaurant.

Congressman Robert McClory will be featured in the TV program "What's My Line" on June 8 at 10 a.m. The filmed program, made some time ago, will include Mrs. McClory, the former Doris Hibbard, one of the producers of the "What's My Line" show. Wally Bruner, the moderator, gave the bride away, when they were married a little over a year ago.

The first U.S. Flag to fly over the College of Lake County campus has been presented to the college by the Antioch Post No. 4551. F. James Lumber, Antioch attorney and chairman of the board accepted the flag in behalf of the College.

OFFICERS

Class officers have been elected for the senior class at Antioch High School for the 1980-81 school year. Mitch Kruczek, president; Dee MacDonald, vice president; Rita Singh, treasurer.

SOUNDS FISHY

Illinois Department of Conservation fishery biologist Joe Ferencak stocked two million walleye fry in Channel Lake and Lake Marie. The tiny fish were flown to Waukegan Airport from Minnesota's French River hatchery near Lake Superior. In return, the Department of Conservation will supply Minnesota with Illinois flathead catfish.

Wedding

McCARTHY - MILLSOP

Miss Venetia M. Millsop became the bride of Richard R. McCarthy in a May 10 wedding at Prince of Peace Catholic Church. The bride is the daughter of Mrs. Russell (Rhoda) McMurtry and Gordon C. Millsop of Lake Villa. The groom's parents are Clifford and Rosella McCarthy of Lake Villa.

The afternoon wedding, officiated by Rev. Father Fassbinder, was a rainbow wedding, featuring a trellis with gate in the church. Attendants were attired in a rainbow of colors, green, peach, pink and blue, and carried silk flowers.

Kathryn Sweeney, Antioch, served as her friend's maid of honor. Bridesmaids were Deborah Mondrowski, Antioch; Deborah Effinger, Lake Villa and Diane McCarthy, Lake Villa, sister of the groom. Jennifer Hergel, the groom's niece acted as flower girl.

Donald R. DeRue, Lake Villa, acted as his friend's best men. Groomsmen were Bill Teltz, Lake Villa; Mike Effinger, Lake Villa and Jeff Dykiel, Antioch. Gary Mitchell of Lake Villa and Pat Morgan of Antioch ushered guests.

Following the ceremony a buffet reception was held at the Lake Villa VFW. The approximately 150 guests were treated to a rainbow, fountain cake, and music by The Versalaires. After the reception, the couple left for a wedding trip to southern California.

The bride, a 1978 graduate of Antioch High School, is employed as a secretary by Dick Witt, State Farm Insurance agent. The groom, a 1976 graduate of Antioch Community High School, is a computer operator for OMC in Waukegan.

The couple is now residing in Lake Villa.

PUBLICATIONS

Two new brochures, intended to boost consumer awareness of mail fraud schemes, are available from the U.S. Postal Inspection Service. "Postal Inspectors Protect Consumers" and "Fraud and the Business Community" can be obtained free through local postmasters.

CITRUS

There are 40 billion oranges grown in the U.S. each year. That is an average of 80 glasses of juice and 30 eating oranges per person.

ACCIDENTS

Farm accident fatalities declined 20 percent from 1970 to 1976, the U.S. Dept. of Agriculture said.

INSURANCE INFORMATION

I am thinking of increasing my insurance coverage but can't squeeze one big annual premium payment into my budget. Can you help?

Yes. Most companies will give you a choice of how often you pay the premium . . . monthly, quarterly, semi-annually or annually. An insurance company may have a minimum premium policy whereby you may be required to make at least a quarterly or semi-annual payment. In some ways, the minimum payment requirement is good since the usual rule is . . . the more frequently you pay, the more insurance will cost. An annual premium payment usually will be less than twelve times a monthly premium. If you feel a monthly or quarterly payment would best fit your budget, ask your agent what the exact cost of making more frequent payments will be. This should help you decide which payment plan will work best for you.

The Time Machine

50 YEARS AGO: JUNE 5, 1930

With the motive for eight gang slayings remaining a matter of speculation, authorities are continuing their investigation into the alleged Capone-Moran feud which assumed a wholesale murder aspect early Sunday with the massacre of three gangsters at the resort of James L. Manning at Fox Lake. Sam Peller, 20th ward election terrorist of the Valley district; Michael Quirk, twice charged with murder and a known badman and Joseph Bertsche, a notorious crook, were the men killed, while George Druggan, brother of Terry Druggan, who with Frankie Lake made a million in the beer business and Mrs. Vivan Ponc McGinnis, wife of an attorney and daughter of a Fox Lake resort keeper, are believed to be dying of bullet wounds.

A north Antioch woman blames liquor for the family brawl. Mrs. Dexter claimed her husband had returned to the home in an intoxicated condition and started to fight. Mr. Dexter, a carpenter, declared he would prefer charges against his wife and Edward Wendling, a neighbor, who interceded when he heard Mrs. Dexter's screams. J. Dexter was on the receiving end of a terrific beating administered by his wife and Wendling and their residence bore signs of a real fight. Broken furniture, flower pots and glass were strewn profusely.

The Lake County Future Farmers Glee Club will have three numbers during the WLS noon hour program on June 11, the boys from Antioch performing are; Lloyd Atwell, Arthur Cook, Kenneth Denman, Charles Florio, Frank Hahn, Robert Hughes, Howard Mastne and Ralph McGuire.

For the first time in five years the Antioch community is asked to contribute funds in behalf of the Lake County Boy Scout work. Our community is endeavoring to raise the sum of \$300.

The large sign over the old entrance to the Wetzel Garage on Main St. was removed this week.

Three boys from Antioch High School received Rhodes metals for outstanding work in agriculture. They are Lloyd Barnstable, Wm. Yopp and Homer Edwards.

30 YEARS AGO: JUNE 1, 1950

Clarence Crowley, president of Antioch fire district No. 1, turned over the keys of the new tank truck to Edgar Simonson, Antioch fire chief. The new Chevrolet 1000-gallon pumper truck replaces the one destroyed in an accident last year. Crowley and Ed Vos of the Antioch Lumber Co. supplied refreshments for the department after the presentation.

The Antioch Grade School picnicked today in celebration of the last day of school. Classes of the third to seventh grade were taken in school buses to Fox River park. Principal Richard Whitacre said that the trip was decided upon because the grounds around the school are too busy with workmen and equipment to make it safe for the children. The kindergarten, first, and second grades picnicked at the school and were accompanied by their parents.

FBI agents quizzed Robert Laurent of Evanston regarding his possible participation in the bank robbery here in Antioch on March 3, but he denied it. Laurent, admitted he took part in a robbery at Tilne, Ky., a week ago. One bill taken from the Antioch bank in the robbery here showed up in the southern part of the state near where the recent robbery occurred.

National Food Store — Fancy Australian Lobster tails . . . 89 cents lb.

10 YEARS AGO: JUNE 4, 1970

The Antioch Rotary Club gave a farewell dinner for Foreign Exchange student, Daniel Carod of Ceppileto, Argentina, who has spent the last ten months living with the Mike Ano family and attending Antioch High School. Danny's parents, Mr. and Mrs. Julio Carod, were present at the dinner, which was held at the Brave Bull Restaurant.

Congressman Robert McClory will be featured in the TV program "What's My Line" on June 8 at 10 a.m. The filmed program, made some time ago, will include Mrs. McClory, the former Doris Hibbard, one of the producers of the "What's My Line" show. Wally Bruner, the moderator, gave the bride away, when they were married a little over a year ago.

The first U.S. Flag to fly over the College of Lake County campus has been presented to the college by the Antioch Post No. 4551. F. James Lumber, Antioch attorney and chairman of the board accepted the flag in behalf of the College.

OFFICERS

Class officers have been elected for the senior class at Antioch High School for the 1980-81 school year. Mitch Kruczek, president; Dee MacDonald, vice president; Rita Singh, treasurer.

SOUNDS FISHY

Illinois Department of Conservation fishery biologist Joe Ferencak stocked two million walleye fry in Channel Lake and Lake Marie. The tiny fish were flown to Waukegan Airport from Minnesota's French River hatchery near Lake Superior. In return, the Department of Conservation will supply Minnesota with Illinois flathead catfish.

Wedding

McCARTHY - MILLSOP

Miss Venetia M. Millsop became the bride of Richard R. McCarthy in a May 10 wedding at Prince of Peace Catholic Church. The bride is the daughter of Mrs. Russell (Rhoda) McMurtry and Gordon C. Millsop of Lake Villa. The groom's parents are Clifford and Rosella McCarthy of Lake Villa.

The afternoon wedding, officiated by Rev. Father Fassbinder, was a rainbow wedding, featuring a trellis with gate in the church. Attendants were attired in a rainbow of colors, green, peach, pink and blue, and carried silk flowers.

Kathryn Sweeney, Antioch, served as her friend's maid of honor. Bridesmaids were Deborah Mondrowski, Antioch; Deborah Effinger, Lake Villa and Diane McCarthy, Lake Villa, sister of the groom. Jennifer Hergel, the groom's niece acted as flower girl.

Donald R. DeRue, Lake Villa, acted as his friend's best men. Groomsmen were Bill Teltz, Lake Villa; Mike Effinger, Lake Villa and Jeff Dykiel, Antioch. Gary Mitchell of Lake Villa and Pat Morgan of Antioch ushered guests.

Following the ceremony a buffet reception was held at the Lake Villa VFW. The approximately 150 guests were treated to a rainbow, fountain cake, and music by The Versalaires. After the reception, the couple left for a wedding trip to southern California.

The bride, a 1978 graduate of Antioch High School, is employed as a secretary by Dick Witt, State Farm Insurance agent. The groom, a 1976 graduate of Antioch Community High School, is a computer operator for OMC in Waukegan.

The couple is now residing in Lake Villa.

PUBLICATIONS

Two new brochures, intended to boost consumer awareness of mail fraud schemes, are available from the U.S. Postal Inspection Service. "Postal Inspectors Protect Consumers" and "Fraud and the Business Community" can be obtained free through local postmasters.

CITRUS

There are 40 billion oranges grown in the U.S. each year. That is an average of 80 glasses of juice and 30 eating oranges per person.

ACCIDENTS

Farm accident fatalities declined 20 percent from 1970 to 1976, the U.S. Dept. of Agriculture said.

INSURANCE INFORMATION

I am thinking of increasing my insurance coverage but can't squeeze one big annual premium payment into my budget. Can you help?

Yes. Most companies will give you a choice of how often you pay the premium . . . monthly, quarterly, semi-annually or annually. An insurance company may have a minimum premium policy whereby you may be required to make at least a quarterly or semi-annual payment. In some ways, the minimum payment requirement is good since the usual rule is . . . the more frequently you pay, the more insurance will cost. An annual premium payment usually will be less than twelve times a monthly premium. If you feel a monthly or quarterly payment would best fit your budget, ask your agent what the exact cost of making more frequent payments will be. This should help you decide which payment plan will work best for you.
